"Thank you for organizing four great days in promoting the best of Italy through truly unique events such as the dinner in the salone de 500 - a first even for me! I really appreciate the level of participants and look forward to DUCOO 2019!!"

SALVATORE FERRAGAMO | IL BORRO

"Wow...wow...wow!!! Hats off to both of you for such an incredible creation! You have achieved the ultimate success in terms of creating the most productive, most rewarding, and most professional conference ever. There was nothing but the highest quality in terms of attendance, entertainment, facilities, agenda, format and more. I found this event to be perhaps one of the best investments I have made in the past decade. The size was perfect which allowed for exceptional intimacy...a real opportunity to develop quality relationships."

SAMY GAHCHEM | IL SERENO LAGO DI COMO
